2. DAY

Early start and destination is PUTKILAHTI

Next destination is KOSULANLAMPI and TORNIONIEMI

Lunch break in Hotel Rinssi-Eversti

Visit in Nature Center Oskari

Next destination VAAHERSALO

Dinner

3. DAY

National Park of Linnansaari -cruise and transportation to the main island. There we make about 4km walk thru the island and observed birds and other things. We spend hole day in the island so we have lots of time to spend and we are not in hurry. On our cruise is very good changes to see the extremely undangered saimaa ringed seal *Phoca hispida saimensis*. There are only 260 individuals left in hole world and they all live in lake Saimaa.

Picknick lunch

Small nature reserve near our accommodation POROSALMI

Dinner

4. PÄIVÄ

Small roundtrip in near by our accommodation in POROSALMI

Good bye event and cofee
